## A MESSAGE TO OUR VALUED PATRONS

*Once again it is our genuine pleasure to present, for your enjoyment, an evening with the Thoroughbreds and guest quartets. To those of you who are old friends of the Thoroughbreds, we say, it is great to have you back. To all who are with us for the first time, we bid a hearty welcome and we're delighted to add your name to our long list of friends.*

*This year, as is our custom, we are adding a new dimension to our presentation to make ours a unique show. We will demonstrate the versatility of our music form by running the gamut from some of the old "Chestnuts" to some of the "now" songs, all in what has come to be known as the "Barbershop Style".*

*We are sure you would rather listen to music than read, so quit reading or you'll miss the show.*

Yours with a song,

Larry Myers

BARBERSHOP QUARTET

From the Windy City of Chicago, comes the exciting, rich, barbershop sound of the Avant Garde Quartet. Organized in September of 1966, the quartet became Illinois District Champions in 1967 and International Medalists in 1968. Under the guidance of their coach Lyle Pilcher, the Avant Garde has developed a delightful repertoire of entertaining songs, thrilling enthusiastic audiences throughout the United States and Canada. Countless requests for return engagements is positive evidence of their popularity. The quartet has recently completed work on a record album that is available through its contact man.

It was once remarked, "The Easternaires are not really a quartet, they're an institution!" Although said in jest, the analogy does have merit when one considers that this quartet was organized in 1954 and, like the traditional halls of ivy, it still goes on.

Throughout the years, some of the faces have changed and the alumni list has grown to six. But the four members of the present faculty still maintain the traditions of the past. Dan Heyburn and Bob Bohn are original Easternaires and were singing when the quartet won the Mid-Atlantic States district championship in 1956. When Ed Ryan joined the staff in 1961 he hadn't won any medals but, because of his fine tenor voice, he made it possible for the Easternaires to succeed the Buffalo Bills in the Broadway cast of "The Music Man." The faculty's fourth member, Dave Mittelstadt, had not only previously won a second-place medal with the Playtonics quartet in 1956 but he had also directed the Dapper Dans of Harmony to an International Chorus Championship in 1967 (and he did it again in 1970). Thus it is with this distinguished group of music professors that the Easternaires College of Harmony continues to add pages to its yearbook, the most recent one being another fifth-place medal at the 1970 Barber Shop Quartet competition held in Atlantic City.

But this is only a small part of the story of the Easternaires. The remainder, and biggest portion, is in their music. That's why we've invited them to sing for you this evening. We are pleased to present to you a quartet whose unique style, personality, and showmanship have kept them in demand throughout the years.

## WE SING .... THAT THEY SHALL SPEAK

The Institute of Logopedics  
International Service Project of  
The Society for the Preservation and Encouragement  
Of Barber Shop Quartet Singing in America, Inc.

Barbershop Harmony has a new ring these days — one with a deep and joyous purpose to it. For Barbershoppers are willingly lending heart and voice that silent children throughout the world may be given speech. S.P.E.B.S.Q.S.A. is proud indeed of its International Service Project, the Institute of Logopedics in Wichita, Kansas.

In every community there are men who love to use their God-given talents to sing. In every community too, there are silent children who cannot express even the simplest song or thought imprisoned in their hearts. They look to the Barbershoppers for escape from their lonely prisons of silence. We are humbly grateful that God has granted use the privilege and talent to sing — *that they shall speak*.

Communication, as every Barbershopper knows, is mankind's most vital tool. As a pioneer in the field, the Institute has brought speech to more than 30,000 persons throughout the world; and has become the largest residential habilitative center. Today more than 3 children per day are restored to their communities to take their rightful places as speaking members of society.

But countless thousands still plead mutely for our help . . . your help. We cannot — nor do we wish to — ignore their unspoken appeals.

Without speech a human's world is dark and his potential unknown.

No one ever dies from a speech disorder. But, for millions existing in silence, it can be a living death.

To meet the needs of the speechless, Dr. Martin F. Palmer, Founder of the Institute, developed an integrated three-fold program consisting of the finest possible clinical services for all communicative problems; expert professional education for logopedists; and an excellent and on-going research organization.

S.P.E.B.S.Q.S.A.'s Service Project, the Institute of Logopedics, overlooks no facet of a child's development in his quest for communication. Our pride in our project, this great facility for the speechless, knows no bounds, and our gratitude at having a part in its future is inspiring.

As we sing, we hear in our hearts a chorus of voices once silent who are joining us in song . . . they are the 30,000 who found speech at the Institute of Logopedics which we proudly claim as our own.

But we are mindful also of the millions who silently look to us — and to YOU — for their birthright — *Speech*.

WE SING . . . THAT THEY TOO SHALL SPEAK!!  
WE INVITE YOU TO SHARE IN THIS WORTHY CAUSE  
IF YOU SO DESIRE

## THE CITATIONS

LOUISVILLE,  
KENTUCKY

Long known as local favorites this fine blend of harmony are now very popular across the states. In Atlantic City they sang their way into the Top Ten Quartets of the nation and are presently busy at their craft on stages from Massachusetts to California. The greatest thrill they have experienced is the very next show they are scheduled on, and that is the spirit and enthusiasm that this foursome generates to each and every member of the audience.

**BEHIND EVERY  
PUSSYCAT, THERE'S A  
GREAT BOURBON.**

Only Early Times makes the Pussycat perfect. Because Early Times is just about a whisker smoother than any other Bourbon you'll ever taste. O.K., so what's a Pussycat? It's the national prize-winning drink that's made when you shake a packet of "Instant Pussycat Mix," water and Early Times. This orange-sweet sour mixes up as quick as a cat. But remember; it only happens with Early Times. Without it the Pussycat just doesn't purr.

Ask for Instant Pussycat Mix at your favorite food or liquor store.
